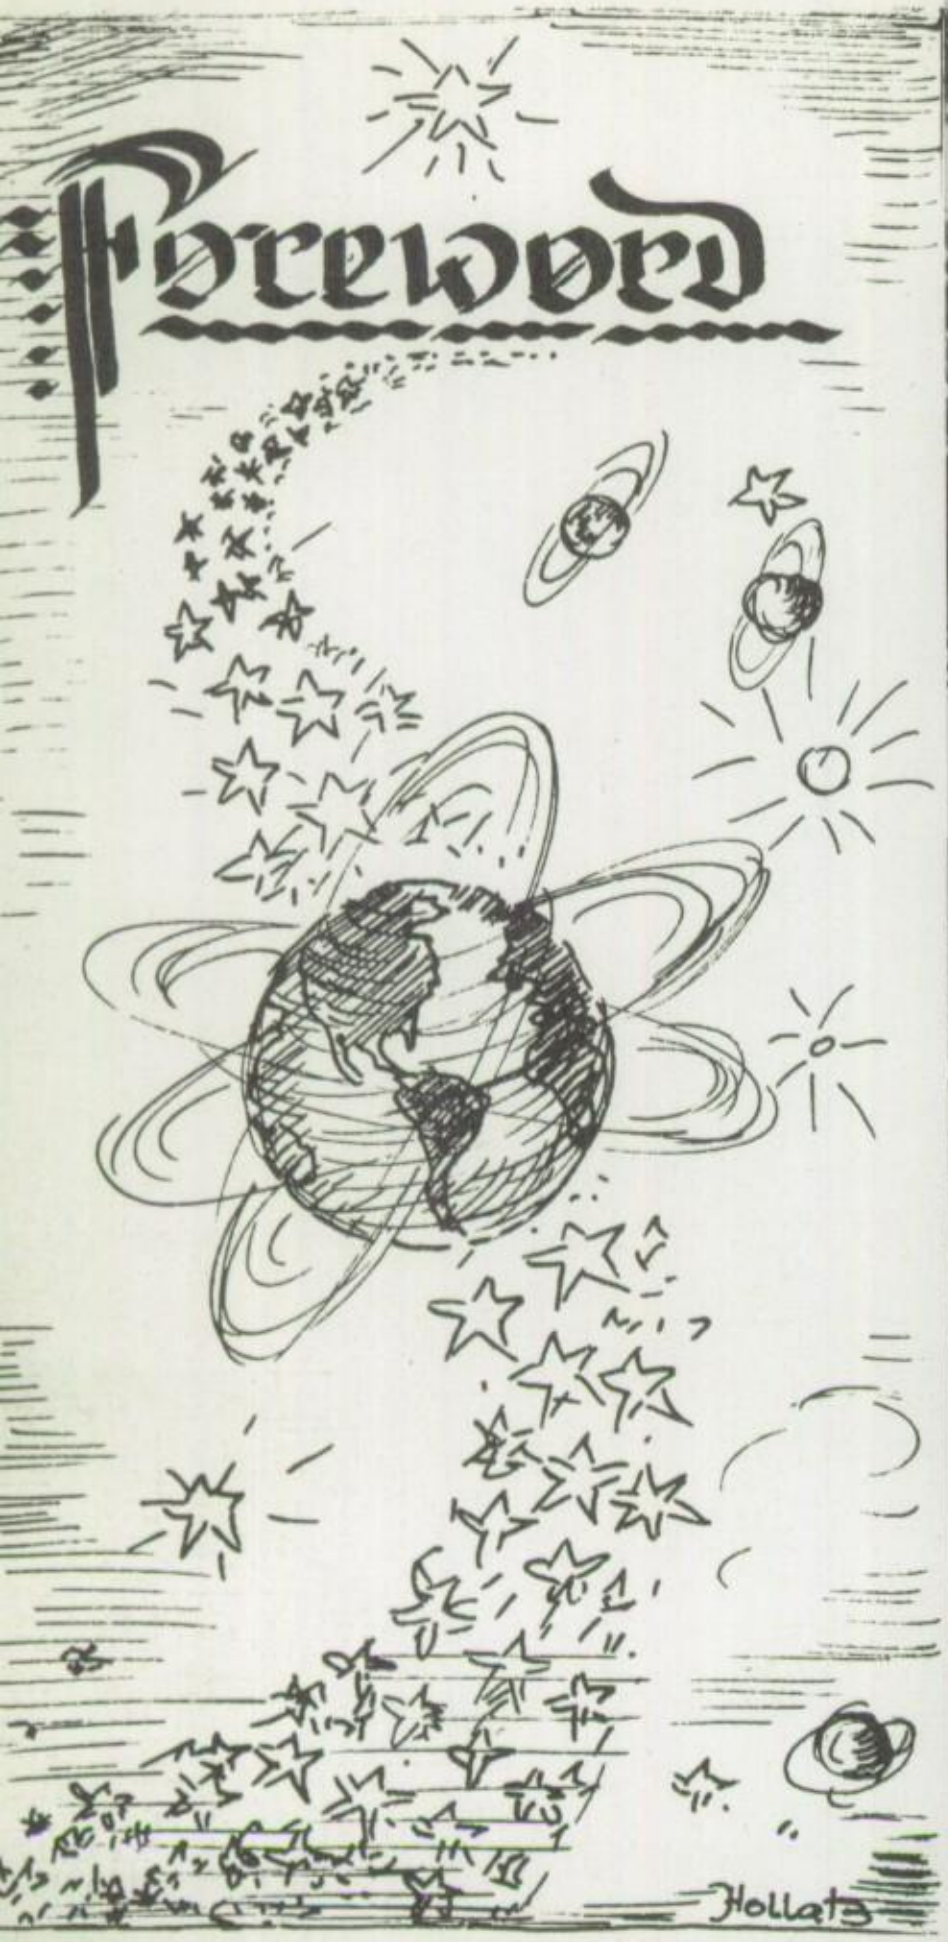
Foreword



We, of the yearbook staff, have worked steadily for many months to produce this volume of the Frontenac.

Within these pages we have tried to record the many memorable events that have happened to us during our journey through high school.

We hope that, not only at the present but in the years to come, this book will be a treasured keepsake and that it will recall many happy occasions.

DEDICATION

MR. FRANK VAZQUEZ

We, the graduating class of 1959, are proud to dedicate the 1959 Frontenac to our class advisor, Mr. Frank Vazquez.

As our class advisor, he has inspired us to do our best during the past four years. His wise guidance and friendly advice has helped us over many of the rough spots. During the times when we were in need of assistance, he was always there to lend a helping hand. Because of all these things, he has helped us make our final years successful ones.

With this thought in mind, we wish to extend this well deserved honor to a truly great and wonderful friend and teacher.

Working on the yearbook are, ROW 1: Barbara Hollatz. ROW 2: Judy Palmer, Nancy Murdock, Glenda Davis, Sherrill Young, Beverly Gove. ROW 3: Nancy Presto, Nancy Shook, Patricia Roudabush, Mr. Chappell, Charleen Ward.

The Yearbook Staff has tried to make this yearbook the biggest and best book ever produced in the history of our school. Our aim in the publication of this yearbook is to present the over-all picture of our school activities, both regular and extracurricular. Credit must be extended to each and every member of the staff. All of these people have worked hard to produce this book. We sincerely hope that you may keep this book as a lasting record of the persons and events that have played a part in your lives this year.

HEAD MAN

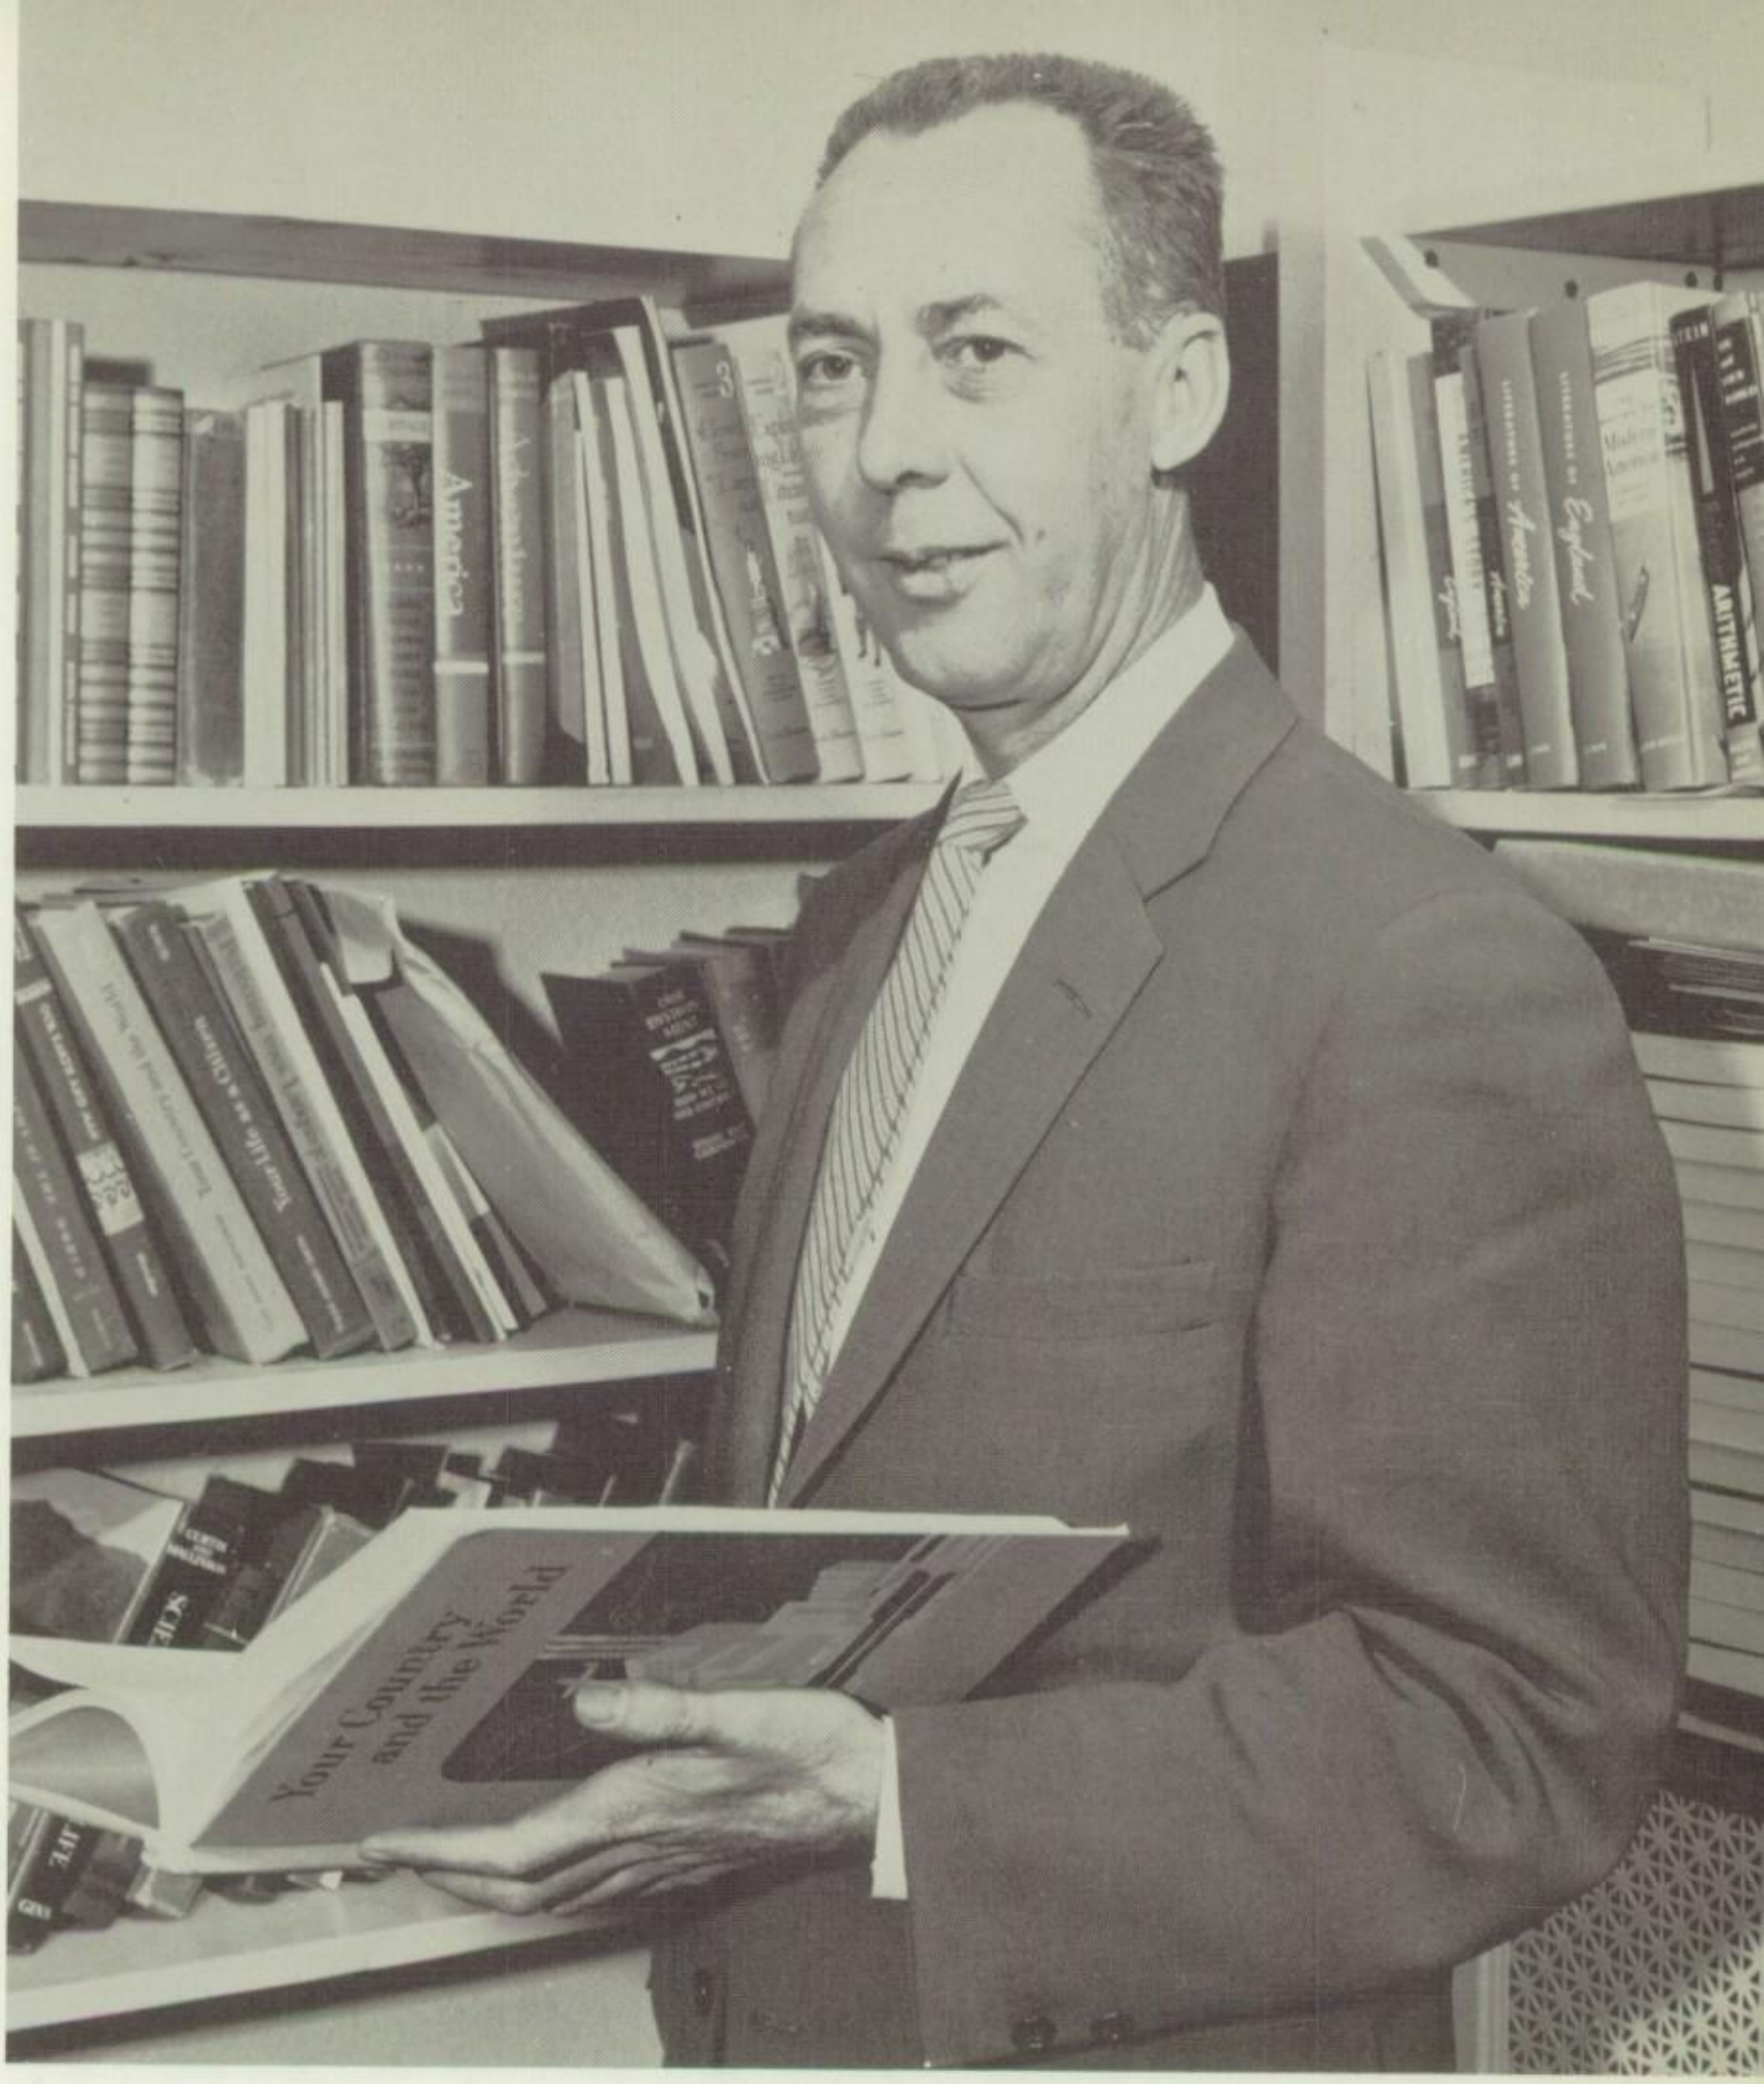
Congratulations and best wishes to each member of the Class of 1959.

The completion of your high school studies is only another stop along the road of life. Your next stop may be further formal education at college or informal training on a job. You can never avoid the opportunity to learn and to improve yourself as long as you live.

My wish and that of all your teachers is that each of you will use your opportunities and will enjoy a life rich in rewarding and satisfying experiences.

ANDREW J. SMITH

Supervising Principal



MAN FRIDAY

To The Class Of 1959

This is the day. You've waited thirteen or more years for this, so take a deep breath, sigh and really enjoy it while you can. Graduation day at last; commencement for your future.

As soon as you finish one job, you begin another. Life is like that.

Congratulations on successfully completing the first job and the best of luck for your future.

Sincerely,

RICHARD J. MOON

High School Principal

OUR BOARD OF EDUCATION

The Board Members work hard to solve our school problems. SEATED, left to right: Harvey Smith, John Reohr, Dovovan Webb, Harold Orchard, Lawrence Gould, Andrew J. Smith, Oskar Schlappi, Paul Newman, and President Ralph Webster.

Every third Monday of the month, the decision men of our school, the Board of Education, meet to discuss our problems.

These nine men work unceasingly to improve our school and to keep it up to date. They study our problems of finance, and are always ready to help an employee.

Our thanks go to these willing people who work so hard to keep our school going, though it may take time from personal pleasures. The Board of Education does much for our community without reimbursement for their time and effort.

OUR FACULTY

ROW 1: Miss Pethybridge, Mrs. Smith, Miss Purcell, Mr. Moon, Mr. Kane, Miss Johnson, Mrs. Boomer. ROW 2: Mr. Gardner, Miss Hockeborn, Mrs. Tanner, Mrs. Hicks, Miss Russell, Miss Stress, Miss Dershem, Mrs. Polanski, Mrs. Colgan, Mrs. O'Connor, Mr. Crull. ROW 3: Mr. Connell, Mr. Eldred, Mr. Baer, Mr. Towne, Mr. Vazquez, Mr. Klock, Mr. Tanner, Mr. Shotwell, Mr. Chappell, Mr. Boomer.

Year after year, for six years, we have had the help of the unsung heroes of our school—our teachers—the High School Faculty. Our teachers never really receive the credit due them; the student always takes the honor, and yet if a student doesn't do well, the teacher is to blame. We owe much to our teachers who have so much patience when homework isn't done on time; when everyone wishes they were outside enjoying the spring weather, and when papers start flying across the room. All these things the teachers stand, and then still teach us too!

It goes like this.

What is that?

THE JUNIOR PROM ★ ★

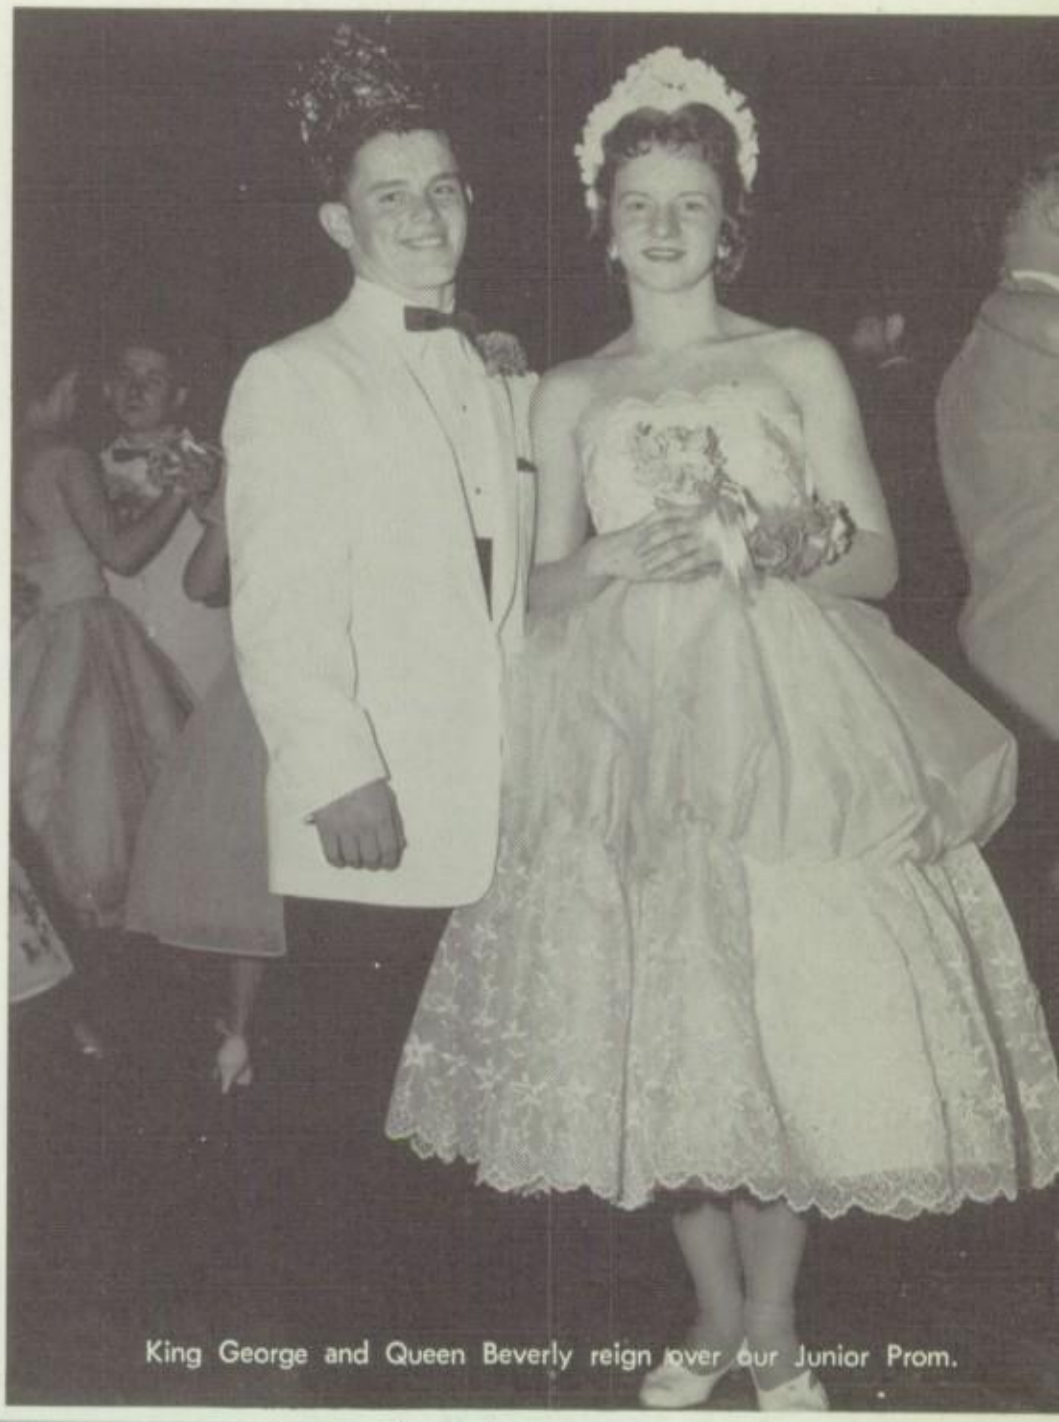
Surveying their subjects are, TOP ROW: Queen Beverly, King George. ROW 2: Nancy Shook, Glenda Davis. ROW 3: Ann Tanner, Kathy Connor, Michael Vazquez, Maxine Jorgensen. BOTTOM ROW: Former Queen—Diane Dundas, Judy Palmer, Barbara Hollatz, Former King—Roland Campbell.

A "Tropical Island," our theme, was beautifully portrayed at our "unforgettable" Junior Prom. The gym was elaborately decorated with brightly painted birds, flowers, and swaying palm trees on the sandy shores of our dream land. Native huts and masks outlined the landscape, while on the far side of the room, the eyes of the native chief threw a bewitching spell over his subjects.

Queen Beverly McBride and King George Minturn; the Queen's court: Nancy Shook, Ann Tanner, Judy Palmer, Barbara Hollatz, Maxine Jorgensen, Glenda Davis, and the attendants Kathy Connor and Michael Vazquez, sat majestically upon the throne as they watched the swaying dancers.

Kathy and Mike lead the Coronation March.

★ ★ DANCE OF THE YEAR



King George and Queen Beverly reign over our Junior Prom.

The Tropical Islands provide a colorful background for the music of Speigal Wilcox and his orchestra.

The whirling couples danced gracefully beneath our breathtaking mobile mermaid, which hung in the center of the gym. At her side was a revolving chandelier, which reflected a myriad of rays throughout the gym.

On stage, as the picturesque sunset sank slowly behind the mountains, the soft music of Speigal Wilcox and his orchestra faded into the darkness and brought our Junior Prom to a close.

OUR PLAY

I love you!!

Our Senior Play, a comedy, was entitled "Miss Corn Belt." The story was about a small town girl who won a beauty title and entered the "Miss America" finals. In order to raise money to finance this, the family tried various means to get the needed money. All types of trouble arose when they tried to sell Granny's antique chair.

This was a great deal of fun for us. It meant a great deal to us all; because of this, we did our utmost to make it a success. In spite of dire predictions and various other problems, it was a success far beyond our highest expectations. We feel we owe much of the credit to our devoted director, Mr. Fordham, who was able to mix work and fun and result in a play that was enjoyable to both the cast and the audience.

It's so good to be home.

She's here!

It's all over!

SENIOR STORE — SUPPLY CENTER OF THE SCHOOL

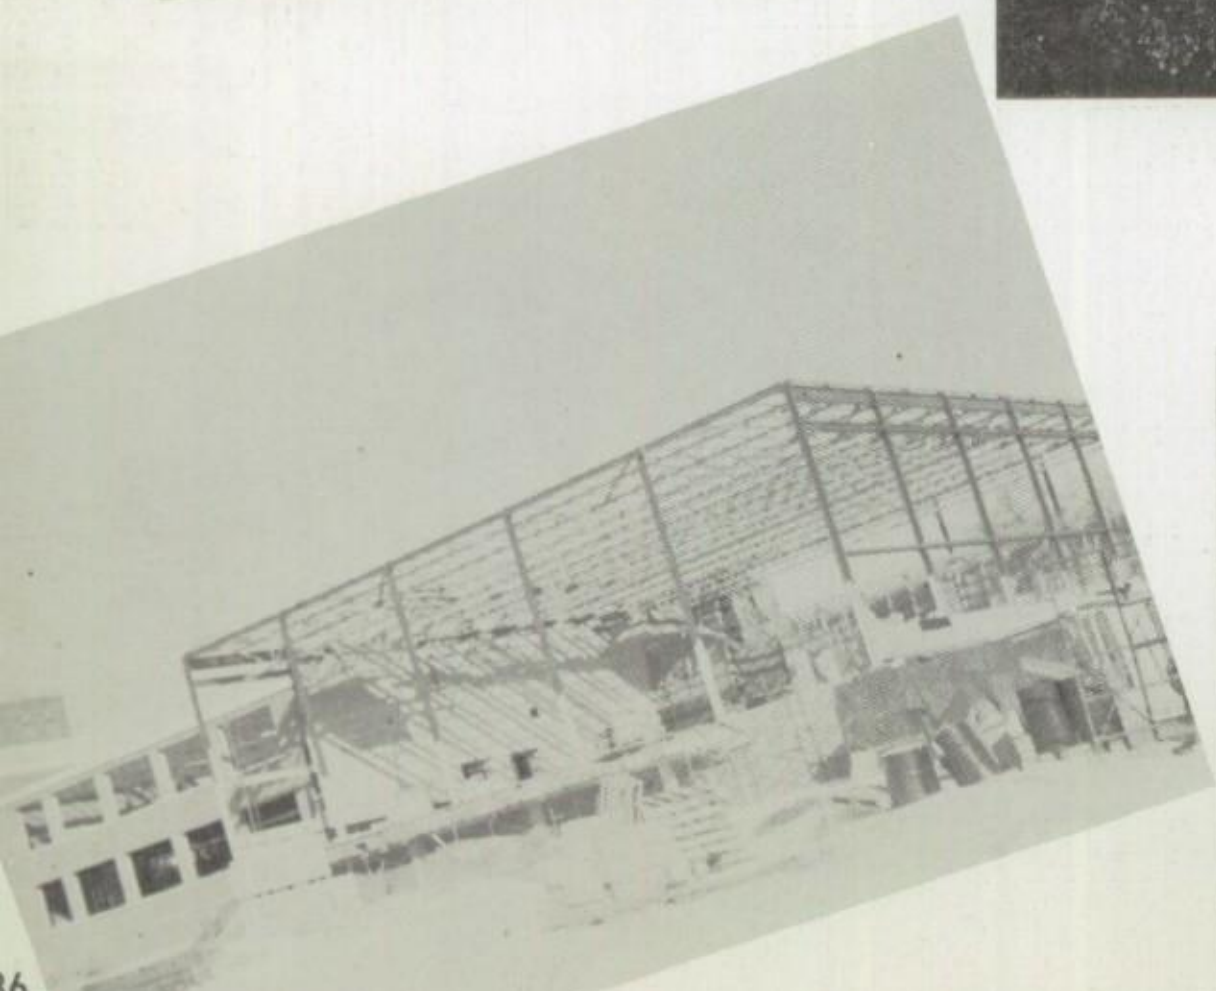
Working at the store is Frank Palega. Looking in are Grace Tavener and Mr. Gardener.

The Senior Store, run by those Seniors who have free time or study halls, provides for every student a place to buy needed school supplies. This year the store, under the management of Grace Tavener, added a few new supplies. Small Union Springs dolls and autograph dogs were a new addition to the store supplies.

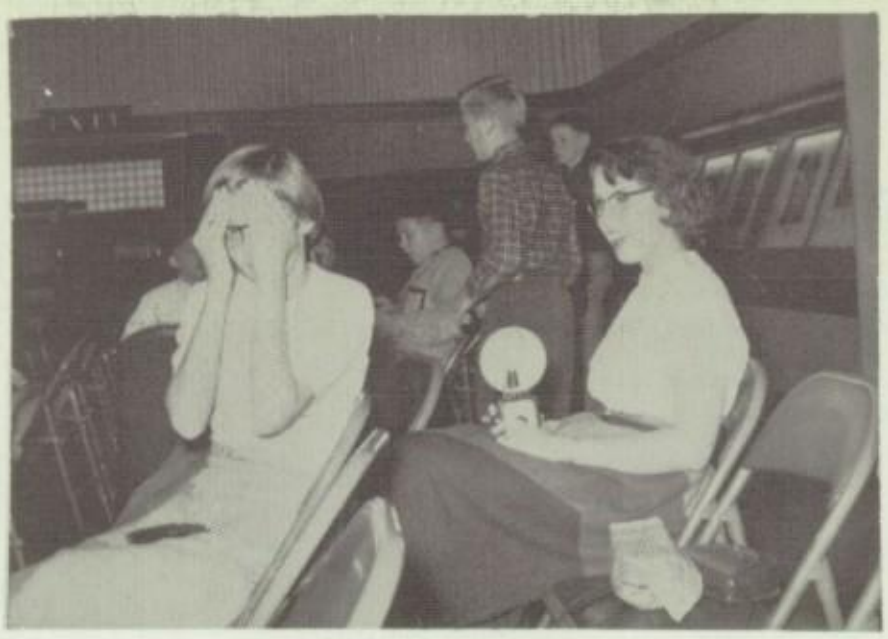
This store is a means of revenue for the Senior Class to increase our treasury. More than one hundred dollars has been cleared from the supplies we have sold.

OUR PASSING PARADE

of memories will contain both the pleasant and the tedious. The campus, temporarily scarred by graders and building lifts, still retains the beauty for which it is remembered.



Ride 'em cowboy!



Shy or just coy?

Strike three!

Us? Tired? Never!

No, Joe. This is NOT a golf course.

Two little sunflowers.

Look, Ma! We're sober.

What's the matter, Tink?

You don't say!

He must be cute!

ELEMENTARY PRINCIPAL

My sincerest congratulations go to the class of 1959 on the completion of the thirteen years of elementary and secondary education. This in itself represents a large measure of success and indicates your intent to accept bolder and more difficult challenges in the years ahead.

The hard work and perseverance you have shown thus far will enhance your chances for success.

THE ELEMENTARY FACULTY

In the library we see Mrs. Cora Brigden, Mrs. Hannah McMichael, Mr. Malcolm Fish, Mr. Leo Soucy, Mr. Ralph Slade, Mrs. Hazel Robbins, Mrs. Marion Redfield. ROW 2: Mrs. Margaret Barrett, Mrs. Miriam Davis, Mrs. Eunice Anthony, Mrs. Ann Tyler, Mrs. Gunn, Mrs. Catherine Healy, Miss Martha Hopkins, Mrs. Jane Myers, Mrs. Louise Pearcy.

Although we may not realize it, we owe a great deal to our elementary teachers Without them we would be very unfortunate indeed, for they are the ones responsible for teaching us the basic fundamentals of life.

We must crawl before we walk. Elementary teachers give us the basis for our future education in high school. They, so to speak, teach us to crawl. We thank you for all you have taught us in preparation for High School and life.

What would a school year be without band concerts? Our school has been very lucky, for the band had a concert on the lawn in late August and we enjoyed playing for the Christmas Program put on by the music department. We were also able to see a Cornell-Colgate game at Cornell in late summer. During the halftime, we were to have participated in a special Band Day performance, but this was canceled by the rain.

We look forward to another eventful and successful year which will be a result of our wonderful director, Mr. Earle Klock.

Miss Dershem, our capable director, spends much time and effort in rehearsing and directing us. We, as her students, owe her much credit. The chorus is at present working on contest music in anticipation of the annual Cayuga County Festival to be held this spring. The next important event will be the trip to Syracuse University where we will compete with other schools for the State Honors. If yearly plans go as scheduled, our chorus will be presenting a spring concert at U.S.C.S.

Chatting with Mr. Moon, left to right: Carolyn Clark, Phyllis Campbell, Lester Day, Patricia Roudabush, Glenda Davis, Mr. Moon, Janet Terpening, Margery Campbell.

The National Honor Society was established in our school only last June. The people pictured above are seven of the eighteen charter members as the others have since graduated. In order to be elected to the society a person must possess the following four qualities: scholarship, leadership, service, and character. A few of the faculty vote and thereby select a few from each class to become members. The Society recently elected officers. Carolyn Clark was elected for President, Lester Day for Vice President, Janet Terpening for Secretary, and Phyllis Campbell for Treasurer.

As members of the Society are highly respected, they have been given some privileges. They can "skip" study halls and activity periods when they don't have an activity. Another privilege is that these people may ride to all away basketball games on the bus. These members have earned the right to do such things, as they possess the four qualities mentioned above.

STUDENT COUNCIL

Last June, the student body voted and elected Patricia Roudabush President of the Student Council for the year 1958-59. At the first meeting in September, we elected Jim Stebbins, Vice-President; Shirley Tratt, Secretary; Robb Newman, Treasurer; and Phyllis Campbell, Corresponding Secretary.

The Student Council has had several major projects this year. We have been corresponding with a high school in Japan since September. We have sent athletic awards and descriptions of our courses, activities, and sports to this school and expect to receive similar material from them.

The Council will take a more active part in school life from now on by helping to arrange assemblies for the student body.

Next September, the Council will sponsor a foreign student. We have spent most of this year raising money for this project.

The Slide Committee, with Richie Newman in charge, set up 16 different scenes of local events on slides to be used in local history classes. An Antique Show was held in the Library exhibiting items brought from home. In charge of arrangements for the show was Judy Platten. A committee under Fred Gardner planned a historic pilgrimage to George Eastman's and Susan B. Anthony's homes in Rochester; to the Mormon Shrine at Palmyra; and to Old Irelandville. The club also attends the District Jamborees and the State Convention.

This group is in office for the following twenty weeks, in which time they are responsible for enforcing the driving rules on school grounds. Anyone found guilty of a violation is brought before this court and is tried and penalized. A Driver Education student may be denied his blue card (MU-285), which gives a seventeen-year-old the privilege of obtaining an operator's license, if he appears before the court.

ROW 3: George Vantine, Ron Ray, Robb Newman, Clarence Seal, George Hopper, Ed Hyland, Gary Delaney, Bob Burnett. ROW 4: Managers Ron Mahalik, Fred Gardner, Archie Lowery. Coach—Don Clifford.

THE VARSITY FOOTBALL TEAM

This was Union Springs first year in eleven man football. The 1958 varsity football team had only three lettermen left from the 1957 team. Our line was probably the lightest in the league, averaging only 156 lbs. per man. However, in spite of the lack of experience and size the team showed tremendous spirit and effort in every game they played.

Special thanks and recognition should be given to George Minturn, Bill Ryan, and Bob Burnett, our only seniors, for their outstanding performance throughout the season.

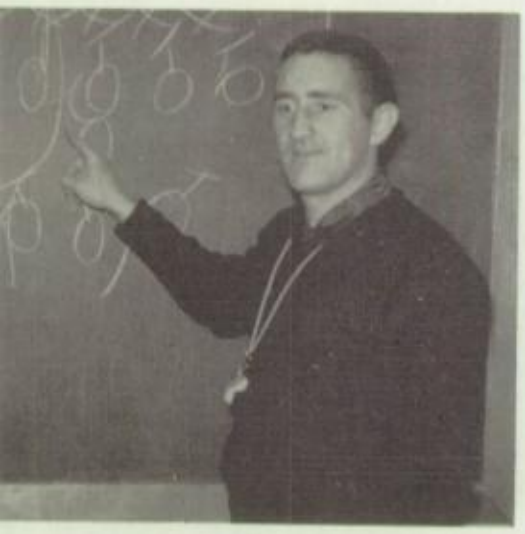
Our J.V. Team poses for the camera. ROW 1: Robert Gable, Co-Captain; Dan Jesmur, Coach; Richard Salato, Co-Captain. ROW 2: Ron VanTine, John McLoughlin, Roger Jorgenson, Bill Jones, Bruce Bowman, Bob Downing, Rog Granger, Ted Jorgensen, Sam Tata, John Coapman ROW 3: Bud Lawrence, John Stamp, Walt Hovey, Steve Emmett, Carl Pethybridge, Harold Verbeck, Joe Lavey, Lynn Walter, Gary Whitehead.

THE J.V. FOOTBALL TEAM



COACH JESMUR

The J.V. football team of U.S.C.S. playing eight man football in the County League found the competition very rugged. The team won their first game quite easily but from there on lost some hard fought close games to end with a 1-4 season in league play.

The J.V.'s also played two 11 man games losing a game to Mt. Carmel freshmen and beating the previously unbeaten Auburn freshmen by a 6-0 score on a wet muddy field.

We are looking forward to next year with anticipation of having an improved and more experienced team, which makes the prospects of a better season seem a certainty.

THE CROSS COUNTRY TEAM

The Cross Country Team consists of Ed Kohinke, Charles Lawton, Dave Conley, Mr. Connell. ROW 2: Captain Charles Reif, Dave Pinckney, Dick Langley, Jack Worzbyt, Mike D'Agostino.

Coach: MR. CONNELL

Of all the sports, none is more grueling or requires more training or conditioning than that of Cross Country. Many an athlete runs 2.5 miles or more in a match but he never does it in 15 minutes or less, which most Cross Country men are trained to run the course in.

Each lad in the picture above can be proud of his achievement this year. Among the races won, the boys can be most proud of the victory against Skaneateles which they will long remember. They did very well in the others also. Second to the actual running, the men enjoyed their away trips. Trips were taken to various schools. The high point of the season was the trip to the Sectionals at Greene Central School with Mr. Smith and Mr. Connell.

Special praise goes to the team for their sportsmanship and cooperation. A short story of the season, as we have here, wouldn't be complete unless we mention the Captain of the Cross Country Team who showed sportsmanship, leadership, and achievement—Charles Reif—who was named Cross Country man of the year and received the annual Cross Country Trophy.

THE TRACK TEAM

The track team consists of Teddy Jorgensen, Mike Fitzgerald, John Fox, Bob Gable, Mr. Connell. ROW 2: Roger Granger, Gary Whitehead, Charles Reif, Nicholas Moon, George Vantine, Roger Walters. ROW 3: Jack Worzbyt, Paul Henderson, Jeff Ward, Dale Hallett, David Wright, Carl Pethybridge. ROW 4: Kenny Casbohm, Tim Quinn, Larry Newman, Jim Day. ROW 5: Bob Smith, Tim Campbell, Jack Ludwick, Eddie Hyland, Fred Gentile.

In many a boy's life, sports play a great part. The days spent on the high school varsity fields are pleasant and vibrant memories. Of all the sports in our school, perhaps none have the keen and driving appeal of the sport of track.

The boys in the picture above are Track Stars. They try to demonstrate emphatically that there is almost no predictable limit to the amount of speed and stamina an athlete can achieve with the proper training and attitude. To excel is to be a track star. They carry the attitude that one must get a little bit farther, a little bit faster than the next man, and a little bit faster than they, themselves, did the last time.

To single out one member of the team for praise would be a hard job, but one must mention Tim Campbell, undefeated in the mile run, and Bob Smith equally good. John Fox was Co-Captain and one of the four county track stars. He was "Trackman of the Year" and received the annual track trophy for 1958.

THE VARSITY BASKETBALL TEAM

From tallest to shortest are, Left to Right: Lester Day, Joe Quinn, Fred Gentile, Jeff Ward, Joe Mulvey, Bill Ryan (Captain), Tim Quinn, Robb Newman, Jim Stebbins, Bill Jones, Sam Tata (Manager). Missing: Carl Pethybridge and Coach Devereaux.

COACH DEVEREAUX

This year's Varsity Basketball team had a rather unfortunate season due to the loss of last year's senior team. We finished the season with a total of 2 wins and 10 losses, but are looking forward to a successful season next year.

The four seniors on the squad were Jim Stebbins, a fine ball handler and outside shooter; Joe Quinn, the team's leading rebounder and scorer; Joe Mulvey, the defensive stalwart who came on well as the season progressed; and Bill Ryan, the team captain and second leading rebounder and scorer.

Joe Quinn and Bill Ryan led the team in rebounding with 133 rebounds and 110 rebounds respectively in 12 games, while in the ball-hawking department, the team was led by Bill Jones who stole 41 balls. Joe Quinn was second with 19. In the ever important scoring department, the highest field goal percentage went to Joe Quinn with 33% and Jeff Ward with 32%. The leading foul shooters were Joe Mulvey with 61% and Jim Stebbins with 55%.

In spite of the losing streak this year, the team can be proud of the fact that they consistently displayed good sportsmanship and exhibited plenty of team play and spjrit.

THE JUNIOR VARSITY BASKETBALL TEAM

The '58-'59 edition of the J.V.'s are, BACK ROW: Charles Reif, Bob Gable, Dick Middleton, Bruce Bowman, Don Garland, Jack Smith, Jm Quinn, Jack Burnett. FIRST ROW: Coach Jesmur, Gary Whitehead, Larry Newman, David Clark, Mike Moon, Richie Salato, Ted Jorgenson, Roger Jorgenson, Jim Maleski—manager.

The J-V Basketball team, as the football team, won their first game, and then only two more in league play to finish the season with a three won eleven lost record. Throughout the season the team played hot and cold ball and lost some close games to better teams in the league.

It seems that the freshmen of this year and those who are coming up from the undefeated J.J.V. squad should give us a team of considerable strength and ability for next year. This of course points to a much better season and we all hope this proves true.

THE J.J.V. BASKETBALL TEAM

OUR CHAMPS— FIRST ROW: Ron Kreydatus, Fred Gardner, Don Lowery, Jack Healy, Richard Newman, Gary Knoll, Steve Hall, Dan McLaughlin, James Hall, Coach Clifford. SECOND ROW: Ed Butts, Larry Joyce, Bob Reohr, Leslie Granger, Roger Doty, Ron Mahalik, Ted O'Hara, Jack Pearce, Jim Pearce. Missing: Gary Sweeney, John Snyder.

UNDEFEATED J.J.V.

The Union Springs' J.J.V. team experienced its first undefeated season this year. The team improved week by week as their record indicates. Their aggressiveness and will to win were the factors which helped the team obtain such an enviable record. The team's big four were Jim Pearce, who alone rolled up 86 points, Fred Gardner who takes credit for 48 points, then Jack Pearce with 28 points, and finally a seventh grader, Steve Hall, with 12 points. The stars of this year's team should provide a strong nucleus for next year's Junior Varsity Team.

OUR WRESTLING SQUAD

Looking on with interest are, Left to Right: Mr. McBride, Nick Moon, Ed Kohinke, Mitch Meyers, Don Horan, Orlan Jennings, Leith Foster, George Minturn, Robert Downing, Roger Walters. Center: Ronald Vantine and Ralph Minturn.

The 1958-59 Wrestling Squad had a good turnout compared to previous years. The coach, Mr. McBride, was able to get practice meets with schools out of the league. The squad went to the Christmas Tournament at Windsor where George Minturn placed third in the 127 pound class. On February 28, the boys went to the Section 4 Sectionals at Harpur College.

The Co-Captains of the squad were George Minturn and Ralph Minturn. Plans are being made for the team to enter a league next year. If these plans are carried out, there will be anywhere from ten to fourteen matches scheduled. Wrestling is a wonderful sport and we hope there will be more boys participating next year. The chances of succeeding are very good.

THE VARSITY BASEBALL TEAM

Members of the baseball squad are, ROW 1: Roy Smith, Dick Dann, Dick Mahalik, Jerry Jorgensen, Roland Campbell. ROW 2: Mr. Mulligan, George Mintum, Bill Jones, Robb Newman, Charles Bowman, Eddie Wade, Roger Jorgensen.

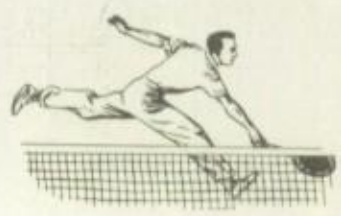
The 1958 Baseball Team was composed mostly of Seniors who had had experience on previous U.S.C.S. baseball squads. The team, showing all-out hustle throughout the year, ended with a winning season of seven wins and five losses. The long-ball hitting of Harold Crane, Roland Campbell, Jerry Jorgensen, Dick Mahalik and Roy Smith kept producing runs while three veterans, Campbell, Crane and Smith were the mainstay of the pitching staff.

We, the Class of 1959, wish next year's team the best of luck in their coming season.

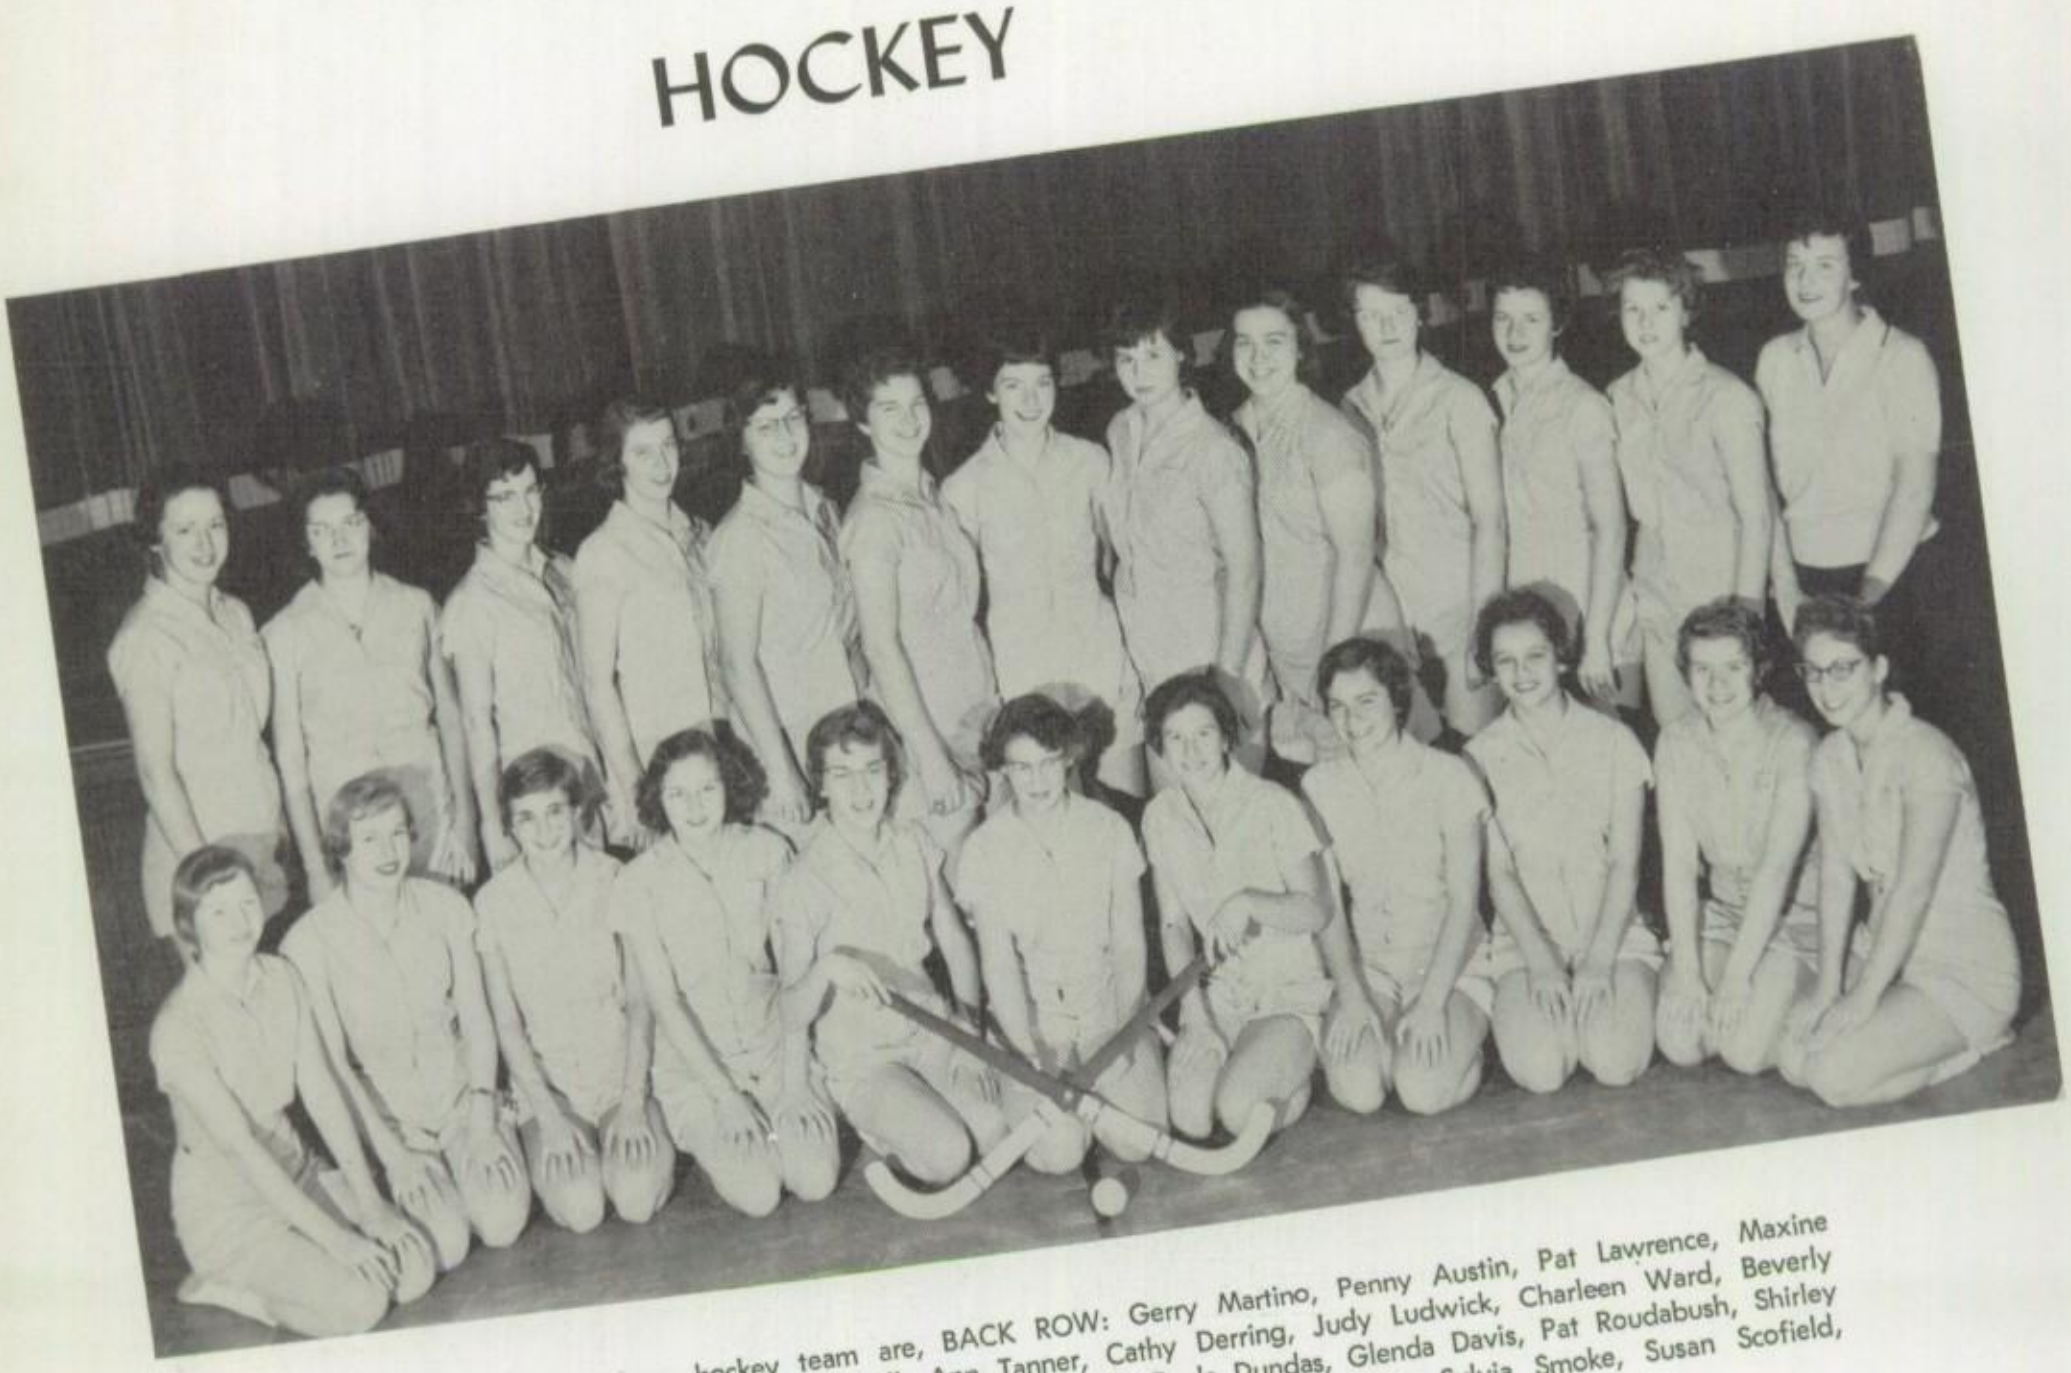
TENNIS 1958

Ready for a tennis match are Mr. Devereaux, David Clark, Marvin Davis, Joe Mulvey, and Eddie Dann.

This year a new sport was introduced to our school—tennis. Tennis, like wrestling, urges individual competition more than team play and you must be in top condition to keep up with the fast moving pace. This year's tennis team was composed of: Freshmen—Dave Clark and Ed Dann, Sophomores—Marty Davis and Holly Robbins, Junior—Joe Mulvey, and their fine Coach—Mr. Devereaux. The team loses no members by graduation so it expects to have a fine season next year. Matches this year were held against Elbridge, Port Byron, and Weedsport. Next year the tennis team hopes to have more boys out to urge competiton on the team and hopes to have more matches against schools in the area. So let's go out and support the tennis team!



HOCKEY



Members of the all-star hockey team are, BACK ROW: Gerry Martino, Penny Austin, Pat Lawrence, Maxine Jorgensen, Susan Lee Margery Campbell, Ann Tanner, Cathy Derring, Judy Ludwick, Charleen Ward, Beverly McBride, Loise Wright, and Mrs. O'Connor. FRONT ROW: Paula Dundas, Glenda Davis, Pat Roudabush, Shirley Granger, Phyllis Campbell, Marilyn Roudabush, Marion Pesek, Cathy Shutter, Sylvia Smoke, Susan Scofield, Janet Terpening.

A few weeks after school opened the girls began to limber up their muscles and prepare for the coming hockey season. After several weeks of learning the techniques of driving, dribbling and lunging, Mrs. O'Connor picked the girls who she felt were best at this exciting game. The girls have to work hard to get on this all-star team and once a member of the team each girl works hard mastering the skills of the game. Each girl does her utmost to make the sport enjoyable and is proud to be part of this exciting game.

ALL-STARS

BASKETBALL

Ready to face any opposition are, FIRST ROW: Beverly McBride, Marion Pesek, Pat Lawrence, Penny Austin, Eleanor Smith, Pat Lawton, Glenda Davis. SECOND ROW: Suzon Scofield, Judy Ludwick, Ann Tanner, Maxine Jorgensen, Susan Lee, Charleen Ward, Sally Doremus, Beatrice Benham.

At the end of the basketball season, an imaginary girls' varsity was chosen. These girls were chosen on the basis of their ability, enthusiasm, skill, effort, and knowledge of the sport.

Although the girls were limited to one practice, they engaged in a combination faculty-adult education team, and defeated them 28-21. This game which took place February 27 was a preliminary to the Senior boys' and Men's faculty game. Both games were for raising money for a new gym clock.

THE ALL-STAR VOLLEYBALL TEAM

Getting ready to practice are, ROW 1: Cathy Shutters, Louise Wright. ROW 2: Carol Brant, Penny Austin, Marion Pesek, Marilyn Scofield, Shirley Granger, Nancy Shook, Glenda Davis. ROW 3: Bearice Benham, Sally Doremus, Charleen Ward, Susan Lee, Maxine Jorgensen, Margery Campbell, Judy Ludwick, Mrs. O'Connor.

Soon after volleyball season started an all-star team was organized. Mrs. O'Connor chose the girls she felt had the co-ordination and ability for the game. Eighteen girls made this team. Out of the eighteen girls, Mrs. O'Connor chose twelve to go to Weedsport for a Sports Day on March 14. These girls were ones who showed extra interest and ability in volleyball. They were: Eleanor Smith, Beverly McBride, Marion Pesek, Susan Lee, Nancy Shook, Cathy Shutters, Charleen Ward, Maxine Jorgensen, Glenda Davis, Penny Austin, and Carol Brant. Sally Doremus was timer. The girls played hard and ended in fourth place.

GIRLS' ATHLETIC ASSOCIATION

The G.A.A. Officers are, BACK ROW: Paula Dundas, Maxine Jorgensen, Elaine Osborne. FRONT ROW: Mary Lee, Karen Lawton, Pat Lawrence.

The purpose of the Girls' Athletic Association is to offer every girl in school the opportunity to participate in a variety of recreational activities, sports, games, and tournaments, regardless of her ability. It offers to those girls possessing a higher degree of skill the opportunity to participate in play days, sports days, and inter-school activities, and also promotes leadership. The G.A.A. organizes a girls' program in which the ultimate aims are to develop a well-rounded personality, both in school and in future years.

There are several activities in which the girls may take part which include hockey, soccer, basketball, volleyball, softball, table tennis, badminton, archery, tennis, and cheerleading. All of these activities are set up under a point system which enables a girl to earn letters and awards which are presented at the Annual Sports Banquet held in the Spring.

The officers of the G.A.A. for this year are: President, Pat Lawrence; Interclass Director, Maxine Jorjensen; Secretary-Treasurer, Elaine Osborne; Social Chairman, Paula Dundas; Seventh Grade Representative, Karen Lawton; Eighth Grade Representative, Judy Tratt.

Mrs. Flora O'Connor, acts as advisor to this group and much of the success of the organization can be directly attributed to her help and assistance.

LET'S REA

VARSITY CHEERLEADERS

Ready to cheer are, BACK ROW, left to right: Glenda Davis, Ann Tanner, Maxine Jorgensen. FRONT ROW: Grace Tavener, Kathie Kohinke, Shirley Tratt, Patricia Roudabush, Beverly McBride.

Early this fall, girls who wanted to try out for cheerleading began practicing any and every free activity period. Mrs. O'Connor, Mr. Jesmur, Miss Russell, Mrs. Tanner, and Mr. Devereaux were chosen by the girls to be their judges. A point system was used to select the cheerleaders in which a maximum of five points can be earned in the following categories: jump, coordination, voice, and appearance. The seven girls with the most points then become the cheerleaders. Ann Tanner, Beverly McBride, Glenda Davis, Maxine Jorgensen, Shirley Tratt, Patricia Roudabush, and Kathy Kohinke were chosen to cheer for the fellows. These girls selected Grace Tavener as their manager.

Gray slacks and white sweatshirts were worn during the football season which were replaced by a purple and white princess style uniform for basketball games.

Besides encouraging the boys to do their best, the cheerleaders found time to attend a cheerleading banquet at Springside Inn to discuss the rules and regulations, and to master the familiar cheers while learning original cheers.

LY YELL!

JUNIOR VARSITY CHEERLEADERS

"Yeah Team!" shout Eleanor Smith, Susan Lee, and Louise Wright. FRONT ROW: Sharon Walter, Cathy Shutter, Mary Lou Roy, Karen Hyland. Absent: Beatrice Benham.

The Junior Varsity cheerleaders were chosen early in the fall of 1958 by the same judges and point system as was used by the Varsity squad. The girls selected as cheerleaders were Beatrice Benham, Cathy Shutters, Eleanor Smith, Louise Wright, Susan Lee, Mary Lou Roy, and Karen Hyland. Sharon Walters was chosen as manager for the team.

The football season saw the girls attired in gray slacks and Union Springs sweatshirts, while for basketball, they switched to a uniform with a short, full purple skirt, and a weskit, with a long sleeved white blouse.

The Junior Varsity cheerleaders also attended the cheerleading banquet at Springside Inn and worked hard to cheer the fellows to victory.

GOLDEN GUERNSEY

Give Golden Guernsey a Trial—

Be Convinced of Its Superiority

CHILDREN LOVE GOLDEN GUERNSEY

Children who ordinarily refuse milk soon get the GOLDEN GUERNSEY habit. Mothers find their worries and troubles are over with GOLDEN GUERNSEY. Children prefer it to other foods and its completeness of food value makes it unnecessary to urge children to eat foods for which they do not care. Scientists tell us that taste buds on the tongue grow less active as age progresses, perhaps these youngsters can make a choice for themselves so long as they have plenty of milk. Two-thirds of a glass of GOLDEN GUERNSEY gives as much nourishment as nearly a full glass of other milk. The appetizing habit forming flavor of GOLDEN GUERNSEY may be due to the extra milk sugar of the increased butterfat. Protein, minerals and vitamins give it a "fuller bodied" flavor.
